Breeder of the Year

2022 Breeder of the Year

Sponsored by WOODBINE ENTERTAINMENT GROUP

2022 • ADENA SPRINGS

It is a great honour for The Canadian Thoroughbred Horse Society, Ontario Division (CTHS) to select Adena Springs as the recipient of the 2022 Breeder of the Year Award, sponsored by Woodbine Racetrack.

At the helm of Adena Springs are Frank & Elfriede Stronach. A member of the CTHS since 1974, Mr. Stronach has helped shape the very foundation of thoroughbred breeding and racing at all levels. Throughout the years, Adena Springs have won over 20 Sovereign Awards including Outstanding Owner and Outstanding Breeder, and more than 10 Eclipse Awards in the United States. Frank Stronach has also been awarded the distinguished E.P. Taylor Award of Merit.

Adena Springs in 2022 as they have traditionally done, proved to be a dominant and influential force in the Ontario Breeding Industry. Sending out 30 winners from 65 starters, their operation boasted 41% of their 348 starts finishing in the top three positions. This success resulted in earnings of \$3,544,253 with multiple Stakes successes contributing to this bottom line.

The focal point of their many significant breeding successes in Ontario in 2022, was Moira, 2022 Horse of the Year and Champion Three-Year-Old Filly, winner of the Queen's Plate Stakes, Woodbine Oaks and the Fury Stakes in 2022 bringing her career earnings to over \$1 million. Also bred by Adena is the talented Philip My Dear who triumphed in both the Cup and Saucer Stakes and Soaring Free Stakes.

The Stronach family's commitment and passion for their first-class Thoroughbred breeding and racing operations is the result of quality bloodlines, exceptional racetrack performance and outstanding programs for breeding, raising and training the horse.

The CTHS would like to congratulate Adena Springs on their outstanding achievements in 2022.

A MESSAGE FROM FRANK STRONACH - ADENA SPRINGS

As we celebrate the 2022 breeding season, I look back proudly at what our four Ontario based stallions with runners achieved on the track in 2022. All four stallions finished the year as #1 in their category.

That's some achievement and only possible with the ongoing support of breeders like you who have joined us on this amazing journey to produce horses which perform where it matters – on the racetrack.

Look at the combined numbers for these four stallions in 2022:

- 175 winners
- 27 stakes horses
- 19 stakes wins
- C\$15,495,000 in total earnings
- C\$44,000 in average earnings per runner

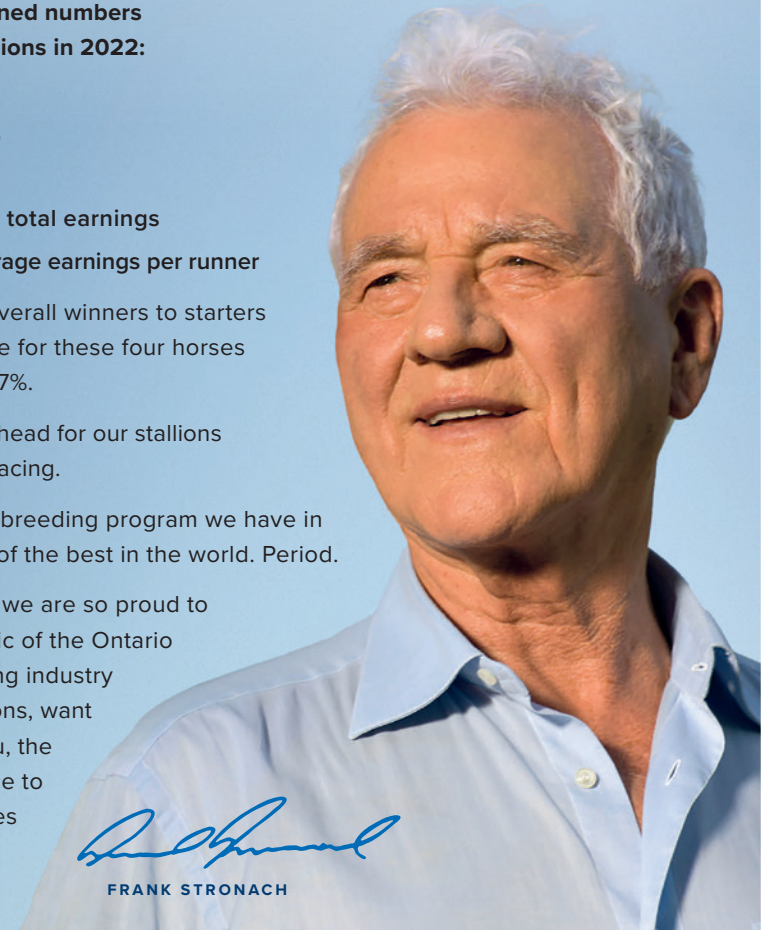

Then look at the overall winners to starters lifetime percentage for these four horses – a staggering 65.7%.

Exciting times lie ahead for our stallions and for Canadian racing.

Look at the whole breeding program we have in Canada – it's one of the best in the world. Period.

At Adena Springs, we are so proud to be part of the fabric of the Ontario racing and breeding industry and with our stallions, want to give back to you, the breeder, the chance to produce racehorses which one day will make you proud.

FRANK STRONACH
