Comment from Peter Berringer - President and Sales Chair - CTHS Ontario

“Our sales week got off to a great start with our race day at Woodbine on Sunday featuring the four sales stakes for previous sales grads.

Ontario Racing’s promotion of the Sales Credit Program in 2022 has undoubtedly increased interest from our owner buyer base.

We’ve also enjoyed welcoming many returning customers who we last saw pre-Covid as well as a diverse new international buyer base.

We thank the breeders / owners who have supported the sale as more than ever it pays to breed, buy and race in Ontario”.
